## ▶ Wood competence from Black Forest

- Since the beginning of the 14<sup>th</sup> century the dynasty Fürstenberg is owner of large forests.
- In 1920 the 'Fürstlich Fürstenbergische Holzverarbeitungsbetriebe' were founded.
- Since then they have been part of the company group of 'Fürst zu Fürstenberg' and have developed into a leading woodworking company.
- Today, with around 80 employees and sites in Germany and Czech Republic, we are a dependable partner for our customers in Germany, Europe and across the world.
